Exceptional Multifunction Value

KIP **770**

KIP 770
INFINITE
POSSIBILITIES

KIP 770
COMPACT CONSOLE DESIGN

The KIP 770 is the highest value wide format multifunction system in the world. It sets new standards for professional quality at a breakthrough value/performance level.
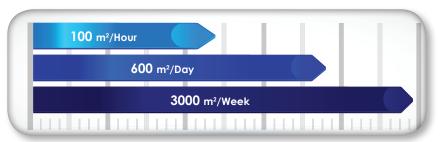

Smart Multi-Touch Control

- 307 mm smart multi-touch display
- Touch simplicity: swipe, rotate, pinch, spread & tap
- Intuitive, tablet style touch controls
- Uniform operations for improved experience
- Walk-up operator convenience
- High demand productivity
- View and print area of interest

System Features

- Single footprint configuration
- Colour touch controls
- Front print delivery system
- 1 integrated media rolls
- 1,6 'A0' size prints per minute
- 600 X 1800 dpi printing
- High definition print technology
- Print from & scan to the cloud
- CIS scanning technology - with real-time thresholding technology
- Rear delivery for high production
- Smart eco² design

KIP 770 Print Production

- 100 m²/Hour
- 600 m²/Day
- 3000 m²/Week

Integrated USB Drives

KIP 770 systems eliminate the need for additional PC hardware by printing documents directly from the touchscreen software. Integrated support for removable media such as standard USB drives provides the ability to securely print documents directly from a range of media formats.

KIP 770
SYSTEM CONVENIENCE

The compact design of the KIP 770 provides front access to the touchscreen, auto roll paper loading, system operation & copy/print delivery.
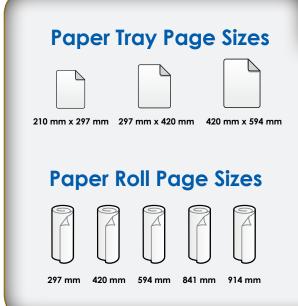

BUILT for the workgroup,

DESIGNED FOR THE individual.

KIP 770
PAPER VERSATILITY

Paper tray for standard sizes up to 420 mm x 594 mm extends the range of print sizes that can be produced without switching rolls.

Paper Tray Page Sizes

210 mm x 297 mm	297 mm x 420 mm	420 mm x 594 mm

Paper Roll Page Sizes

297 mm	420 mm	594 mm	841 mm	914 mm

SMART SOLUTIONS

The space saving design of the KIP 770 provides near-wall operation and is expandable as production demands increase.

- Ultimate in advanced technology and versatility
- Superior image quality and reliable performance
- Sustainable benefits and cost effective operations
- Designed to deliver exceptional value

Smart Multi-Touch Controls
- One touch access to system features in 25 languages
- Instantaneously responsive 307 mm colour display
- Intuitive feature selection for easy operation

Space Saving Design
- Easy operator access
- Next to wall installation
- Innovative top stacking system

Comprehensive Software Apps
- Print management suite synergy
- Functional continuity across all kip applications
- All available for free download from www.kip.com

Integrated Production Systems
- Fully integrated stacking
- Easy print set handling & distribution
- Two way communications for intelligent operation

Mobile Cloud Convenience
- Use any phone, tablet, laptop or pc
- No need to install drivers or software applications
- Integrated with OneDrive, Google Drive, Dropbox, Box.com, Microsoft Sharepoint & Microsoft Office 365 Online™

Eco Friendly System
- 97% product recyclability
- 100% toner efficient - no waste toner
- Promotes environmental health & sustainability

KIP COLOUR MULTI-TOUCH
SO EASY TO USE

All system functions of the KIP 770 are performed through its large, multi-touch 307 mm display with vivid colour controls that instantly respond to your touch. The high resolution display provides copy and scan previews with single pixel clarity, allowing you to instantly view b&w and colour documents like never before.

A Smart, Intuitive Interface

The integrated colour multi-touch display of KIP systems provides a powerful combination of control plus convenience – because you don't have to leave your printer to perform the command functions that make your work more productive.

The articulating display provides the perfect viewing angle to select features, control job queues, review system status, print image files or scans – and get a large, full color look at image files before you print, make changes and see your results immediately.

Zoom In and out with multi-touch controls

Scan, copy and print using the integrated touchscreen

Create colour scans and copy to colour inkjet and KIP Printers

Easy to Use
- Colour multi-touch controls
- Unlimited presets/templates
- Illustrated operator guides
- KIP cost review application
- KIP track system
- Print queue management

Powerful B&W Imaging
- View & print from touchscreen
- Concurrent print & scan to file
- Collated set printing
- Scale to page size
- Fold pattern selection
- Auto rotation for media saving

Colour Copy & Scan
- Vivid image previews
- ICC profile colour management
- Area of interest scan/copy
- Scan to email, usb or cloud
- Cloud Connect integration
- Closed loop colour calibration

TOTAL PRINT MANAGEMENT APPLICATIONS INCLUDED WITH KIP 770 SYSTEMS

KIP colour touchscreen with multi-touch controls

Total Print Management

KIP software apps are the most complete solution designed specifically for b&w and colour wide format document management. The modular design of KIP software apps enable print job creation and submittal via a web browser, PC/Mac, iPad or KIP touchscreen. Each KIP application has new features that deliver significant productivity gains, strict security standards, increased operational efficiency and provide cost controls for prints, copies and scans of any type.
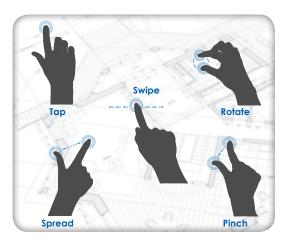

Multi-Touch Productivity

Experience the difference of KIP multi-touch technology.

- Vivid 307 mm colour multi-touch display
- Fully articulating to adjust viewing angle
- Centralized access to all system features
- Print, copy and scan in b&w or full colour
- Swipe, pinch, spread and rotate view
- Zoom to area of interest and print
- Print directly from removable usb drives and system mailboxes
- Job queue management
- Network security features
- Integrated accounting system
- Concurrent print & scan to file at the touchscreen display
- Integrated print previews of each file in a complete job set

KIP Certified Drivers

- Windows device experience certified driver
- Certified AutoCAD print driver
- 32 & 64 bit operating system compatibility
- Fast data spooling
- Data tracking for job accounting

Super-View Image Control

The high resolution multi-touch screen provides copy, scan and print previews, allowing you to instantly view b&w and colour images. Multi-touch controls allow you to zoom, rotate and pan the image preview.

KIP Software Application Certifications

Intuitive, tablet style touch controls

Intuitive ribbon style interface

KIP Print

- Intuitive ribbon style interface
- Advanced print job controls
- Thumbnail black & white and colour file viewing
- Comprehensive preflight controls
- Enhanced file & image adjustments
- Easy drag and drop functionality
- Integrated folding system controls
- Accounting & security features
- Automated batch file format conversion

Browser based printing pc & mac compatible

KIP PrintNET

- Browser based viewing & printing
- Operating system independent
- Print collated sets of unlimited files
- Printer configuration and admin
- Full job accounting & email reporting

Available in the Apple iTunes store

iPad App: KIP iView & iPrint

- View & print files on iPad
- Print PDF, TIFF, PLT, DWF, JPEG
- Scaling, media & folding settings
- View & manage print queues
- Connect up to 5 KIP printers

Accessible from KIP touchscreen

KIP Cloud Connect

- Use the cloud service of your choice
- Print from the cloud
- Scan to the cloud
- Print files via email attachments
- Integrated with OneDrive, Google Drive, Dropbox, Box.com, Microsoft Sharepoint & Microsoft Office 365 Online™

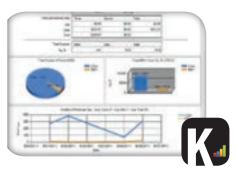

Quickly review the media, toner and printer status

KIP Printer Status

Provides system information including:

- Online or offline
- Open covers
- Consumables status
- Operational status
- Current print meter readings

KIP SYSTEM INFORMATION APPLICATIONS INCLUDED WITH KIP 770 SYSTEMS

Calculate print cost with detailed reports

KIP Cost Review Application

- Cost reporting by square meter, job or user
- Toner coverage reports
- Total printing reports
- Toner & maintenance cost report
- Customizable reports by user, project or department
- Search function customizable fields for info tracking

On demand illustrated operator guides

KIP System Guides

- Displayed on KIP touchscreen
- Information presented in full colour
- Step-by-step pictorial instructions
- B&w and colour copy and scan-to-file instructions
- Media & toner replacement procedures
- Quick reference resource for system functions

KIP Track System ensures all work is charged to the appropriate user, department or project

KIP Track System

- Accounts for copy/print/scan use
- Password protect data entries
- Email reports generated weekly, monthly or on-demand
- Fully integrated with all KIP systems & apps

Designed to make it easy for operators to contact the KIP customer care provider

Information Center

- KIP authorized service provider information
- Direct access to service provider website
- Assists with consumable orders
- Provides current meter information
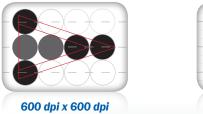

KIP 770
# EXCLUSIVE TECHNOLOGIES

HIGH DEFINITION PRINT (HDP) TECHNOLOGY

KIP HDP is a green technology that is 100% toner efficient, reducing the cost of printing and returning outstanding value and industry leading low cost of ownership. KIP systems do not employ carriers, developers or waste receptacles that require disposal and replacement.

100% toner efficiency

600 x 1800 DPI– High Resolution

KIP systems feature crisp, 600 x 1800 dpi printing for sharper details and extremely smooth grayscales. This higher resolution allows the system to enhance curves, diagonal lines and arcs by smoothing out line edges with excellent precision.

600 dpi x 600 dpi

600 dpi x 1800 dpi

Consistent Print Quality

KIP systems deliver solid blacks, smooth grayscale and uniform print quality from the first to the last page of a print job. Advanced technologies including automatic environmental adjustments and contact-based developer units keep your print quality on track through seasonal climate changes.

Media Capacity

The automated paper loading of the KIP 770 accepts up to a 152 meter roll of media (2″ or 3″ core) up to 36″/914 mm wide.

Auto Media Loading

Accurate Print Sets

KIP Systems provide precise cut lengths that conform to KIP sheet size specifications. Electronic monitoring of media while printing provides an accurate page cut length. Print jobs are produced at an identical sheet size, resulting in a professional presentation.

*KIP precision cutting
for accurate sheet sizes*

KIP 770 INTEGRATED CIS SCANNING SYSTEM

The KIP 770 integrated large format scanner is a 24-bit, 36" / 914 mm wide full-colour image capture system perfect for processing photographs, complex maps and AEC/ CAD drawings. The CIS (Contact Image Sensor) scanning technology enables high-resolution, high-speed image capture with energy saving operation from a compact design.

System Features

- Create colour copies directly to inkjet printers
- Scan to a wide range of file formats
- Real time copy and scan previews
- USB printing and scanning support
- On screen copy, print & scan previews

KIP 70 SERIES
KIP PREMIER PERFORMANCE & BUILD QUALITY

As a world leader in wide format document production technology, KIP is committed to providing the highest value standards by combining the best in hardware and software technology to create superior products at affordable prices. KIP systems are quality engineered for production class operation and reliability. State-of-the-art printing technologies and advanced self diagnostic systems maintain system productivity to ensure maximum uptime.

KIP systems print on recycled paper

Reduced electrical consumption

The Colour of KIP is Green

KIP is committed to product designs that promote environmental health and sustainability. KIP's goal is to consistently improve and refine the technologies in products that keep our planet green. KIP considers the total product life cycle - from the manufacturing process to final device disposal in our shared ecosystems.
